My commitment to a healthy disregard for the impossible

What ideal future do I want to create, and for whom? (VISION)

Imagine a world where all young adults feel supported and respected within a community of inclusion while realizing and harnessing their personal potential to achieve greatness through the service of others;

Where all young adults go into the world ready to embrace challenges today for a brighter tomorrow.

What challenging goals will result in a breakthrough toward this ideal future? (STRETCH GOALS)

Over 1,000 BGSU undergraduate students become active members of Bowling Green State University's Dance Marathon, coming together as empowered individuals to raise over \$1,000,000 for Mercy Children's Hospital.

What realistic goals will help me get started on my vision? (MANAGEABLE GOALS)

- ① Create and implement a Dance Marathon strategic plan that aligns with Bowling Green State University's current strategic plan (focusing particularly on the areas of recruitment, retention and inclusion) and share this plan with at least 5-10 Dance Marathon stakeholders.
- ② Increase mentorship programs (i.e. steering, adopt a dancer/biker, etc) to include at least 50 undergraduate students and 50 alumni within the Dance Marathon community.

With whom do I need to connect to ensure success for my vision and goals? (RELATIONSHIPS)

What immediate steps will I take to jump-start this breakthrough? (ACTION PLANNING)

- Find and study BGSU's current strategic plan and work with exec team and advisors to identify compatible/collaborative goals that DM can contribute to achieving.
- Brainstorm/identify what Dance Marathon mentorships look like and will need to be successful... (What are the program's purposes/ultimate goal, etc)
